

I have just become aware of 02-278, to wit-- letting banks call the home phone numbers of its customers to solicit business such as loans etc. I have money in one of those banks and i have gone to a great deal of trouble to stop all calls to my home from ANYONE trying to get my money in ANY way whatsoever. I dont want my bank or any bank or any company calling to ask for my business. If i want to do business with ANYONE AT ALL i will contact them. My privacy and my peace of mind are not yours to give to any bank.

I DO NOT WANT TO RECEIVE ANY OF THESE ANNOYING CALLS AGAIN
I HAVE IT STOPPED BY LAW WHICH WAS EXTREMELY HARD TO GET DONE IN THE FIRST PLACE. Do not let this happen to me again. You do not have the right to make my life miserable again by receiving all these annoying calls once again. I repeat, YOU DO NOT HAVE THE RIGHT. Yes you may have the power--but you dont have the right to do this to me. Tell the banks and all others that I, Mr. American Citizen, dont want them to call me. PERIOD--NO--DONT CALL ME--I DONT WANT YOU TO CALL ME AT HOME. I dont owe you any money--im free of all debt---im keeping it that way. TELL THE BANKS NO.
